In drafting this policy, the Board of Management of Dominican College has consulted with school staff, the school patron and with parents of children attending the school and the Student Council.

The policy was initially approved by the school patron on 17th August 2020 and updated on 16th November 2020. It is published on the school's website and will be made available in hardcopy, on request, to any person who requests it.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

2. Characteristic Spirit and General Objectives of Dominican College

Dominican College is a Catholic all-girls voluntary secondary school with a Catholic ethos under the trusteeship of Le Chéile Schools Trust.

The purpose of our Le Chéile / Dominican school is to provide a high quality education that acknowledges and affirms the dignity and uniqueness of every human being as a child of

God - "The glory of God is humanity fully alive" (St Irenaeus). It embraces the intellectual, physical, cultural, emotional, social, moral and spiritual growth of each student and seeks to encourage the development and growth of each individual in the constant search for truth (*veritas*).

Our school seeks to build a learning community that welcomes, and witnesses to, the Gospel values of Jesus Christ, expressed through the lens of the Le Chéile Charter. The school draws on the richness of the religious and cultural heritage of the past and the charism of St. Dominic and the Dominican Sisters who began this school and it strives to live out the Dominican motto of *Veritas* in all that it does.

Our school seeks to educate within a distinct Catholic ethos while respecting the multi-faith dimension of our society. It is committed to creating a place of inclusivity, equality and openness, where people can live with and be taught by one another, however varied our experiences might be. It does not discriminate on religious grounds and is open to students from diverse backgrounds. It offers educational opportunities which promote excellence so that students can respond responsibly to their own lives, the lives of others, and the earth, which is our home.

We recognise the unique character of each individual student and are committed to educating them as people of integrity and responsibility, encouraging them to use their gifts to contribute to a more just society. A spirit of co-operation, respect and understanding is encouraged between staff, students, parents and all those associated with our school. We seek to create an inviting place of learning which promotes respect, appreciation and care for each other and for the environment.

As a Catholic school, Religious Education is central to our curriculum. Alongside Religious Education, the school supports students in their Catholic religious formation.

As a Le Chéile school, we strive to achieve the general objectives of all Le Chéile schools which include:

- **Welcome:** recognising the unique dignity and worth of each person.
- **Wisdom:** pursuing a greater understanding and appreciation of the world.
- **Witness:** which comes from the expression of Gospel values, in everyday life, and recognises that every person is made in the image and likeness of God.

In accordance with section 15 (2) (b) of the Education Act, 1998 the Board of Management of Dominican College shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

- (i) It is established that information contained in the application is false or misleading.

- (iii) The parent of a student, when required by the principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the code of behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student; or
- (iv) An applicant has failed to comply with the requirements of 'acceptance of an offer' as set out in section 10 above.
- (v) The Board of Management of Dominican College has a duty of care to ensure as far as practicable, the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that Board has responsibility. An application for admission may be refused, therefore, where the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education."

12. Sharing of Data with other schools

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another Board of Management with a list of the students in relation to whom:

- (i) An application for admission to the school has been received,
- (ii) An offer of admission to the school has been made, or
- (iii) An offer of admission to the school has been accepted.

The list may include any or all of the following:

- (i) The date on which an application for admission was received by the school;
- (ii) The date on which an offer of admission was made by the school;
- (iii) The date on which an offer of admission was accepted by an applicant;
- (iv) A student's personal details including his or her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005).

13. Waiting list in the event of oversubscription

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Dominican College were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Dominican College is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date as outlined in the annual admission notice will be considered and decided upon in accordance with our school's admissions policy, the Education Admissions to School Act 2018 and any regulations made under that Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event that there is no place available, the name of the applicant will be added to the waiting list.

15. Procedures for admission of students to other years and during the school year

Where parents wish to make an application for their daughter to a year group other than 1st Year or during the school year, they should in the first instance fill in an Application Form. An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be deferred until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school the parents and their daughter may be invited to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their daughter. The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason, parents and their daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a transfer to the school would be in the best interests of their daughter given the curricular provision, subject choices/levels available at the time.

Acceptance of an offer of a place by an applicant to a year group other than 1st Year or during the school year:

The parents must confirm their acceptance in writing of an offer of a place within three weeks of the date of the offer of a place.

In accepting an offer of admission from Dominican College, the parents must indicate—

(i) whether or not they have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and

(ii) whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned.

Parents should be aware that failure to disclose this information on the acceptance of a place may lead to an offer being withdrawn by the school.

Circumstances in which offers of a place in a year group other than 1st Year or during the school year may not be made or may be withdrawn:

An offer of admission may not be made or may be withdrawn by Dominican College where—

- (i) it is established that information contained in the application is false or misleading;
- (ii) an applicant fails to confirm acceptance of an offer of admission within three weeks of the date of the offer of a place;
- (iii) the parent of a student, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the student;
- (iv) an applicant has failed to comply with the requirements of 'acceptance of an offer' as set out above;
- (v) the admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility; or
- (vi) the application is made for a place in Transition Year or Fifth Year in the forthcoming academic year **before** the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either year.

Oversubscription to the year group other than 1st Year:

In the event of there being more applications to the year group other than 1st Year than places available, a waiting list of students, whose application for admission to the particular year group has been refused, will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list will be in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this admission policy see [Section 6](#) above. If there are two or more students in any of the selection criteria categories set out in [Section 6](#) above, then the position on the waiting list (for places in a year group other than 1st Year) will be determined by a lottery process overseen by the Principal, Deputy Principal and an independent observer appointed by the Board of Management.

Offers of any subsequent places in the year group other than 1st Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

Sharing of Data with other schools:

Applicants should note that the provisions of Section 12 above relating to the sharing of data with other schools will apply in all cases where an application is made to a year group other than 1st Year or during the school year.

Applicants should be aware that section 66(6) of the Education (Admission to Schools) Act 2018 allows for the sharing of data between schools in order to facilitate the efficient admission of students. Section 66(6) allows a school to provide a patron or another board of management with a list of the students in relation to whom—

16. Declaration in relation to the non-charging of fees

The Board of Management of Dominican College, or any persons acting on its behalf, shall not, except in accordance with section 64 of the Education (Admission to Schools) Act 2018, charge fees for, or seek payment or contributions (howsoever described) as a condition of:

- (a) an application for admission of a student to the school, or
- (b) the admission or continued enrolment of a student in the school.

17. Arrangements regarding students not attending religious instruction

The following are the school's arrangements for students, where the parents or in the case of a student who has reached the age of 18 years, the student, who has requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students:

A meeting will be then be arranged with the parent or the student, as the case may be, to discuss how the request might be accommodated by the school.
