

Board of Management Agreed Statement

15th October 2018

At its meeting of 15th October 2018, the Board of Management of Dominican College:

- a) Offered its condolences to the family, friends, colleagues and students of Majella McWalters. It expressed its gratitude and appreciation for all that Majella gave to the school and her students. It commended the manner in which the staff cared for the students and each other during this particularly difficult time.
- b) Reviewed the analysis of the 2018 Junior Certificate results. The Board congratulated both students and teachers on the results.
- c) Discussed the subject department feedback from each department. They expressed their thanks to the teachers for providing this information and commended them on the work being done and the planning taking place. They also agreed that the Board will look favourably on any requests for equipment, resources or training which can assist them in continuing to provide a high standard education for their students. Any such requests should be made through the Principal.
- d) Examined and discussed the end of year accounts.
- e) Reviewed and ratified the school's SEN Policy.
- f) Reviewed and ratified the school's Substance Abuse Policy.
- g) Reviewed and ratified the school's Wellbeing Policy.
- h) Commended staff on the introduction of team teaching within the school and on other initiatives being undertaken to continue to enhance teaching and learning within the school.
- i) Congratulated the newly selected Head Girl, Deputy Head Girl and Senior Prefects.
- j) Congratulated the current and past pupils who recently received awards and scholarships for their academic achievements.
