

A Swift & Convenient PARENTAL PAYMENT SYSTEM

Dear Parents,

Our aim is to transition to a cashless school and to assist parents paying for school activities. To this end we are introducing Way2Pay, a swift and convenient Parental Payment System. Way2Pay is designed to help schools manage, receipt, track and audit school money, while also providing a comprehensive and flexible system for parents. With Way2Pay you can conveniently manage bills for siblings in one or more schools from a single login, review your payment history and print receipts. Parents have two payment options: login online to your personal dashboard or swiftly pay by text message.

PAY ONLINE AT WWW.WAY2PAY.ORG

Login to view all current activity bills from your child's school. Review your most recent three payments, full payment history, print receipts and quickly email the school. With the Way2Pay personal dashboard you can see all activities for all your children even if they are in different schools that use Way2Pay. You can pay by installments, upload credit* and even store your card details on a secure Irish banking system - making safe online payments even simpler.

Go To: www.way2pay.org For your username AND password enter your mobile phone number in 3538xxxxxxx format. You will be asked to create your own password at this point.

Note: Click on Plus Icon (+) to select the bill you wish to pay; * select schools only

PAY BY TEXT MESSAGE

A payment request text will be sent to you from the school. Simply click on the link in the text to pay in three easy steps:

1. Choose a bill to pay. 2. Tick T&C and Pay by Card Online. 3. Enter card details on a secure banking system

Note: You will be asked a security question before viewing your current bill list. Click on Plus Icon (+) to select the bill you wish to pay.

IF YOU FORGET YOUR PASSWORD

Simply go to www.Way2Pay.org and click Forgot Your Password? link. If you have accidentally deleted your school's payment request text, click Make a Payment button and enter your mobile number to receive a new text message with a new link to pay.

Note: Click on Plus Icon (+) to select the bill you wish to pay.
